PUBLIC SAFETY DIVER

IANTD Ice Diver Course

February 12 - 14, 2010

Attention PSD Dive Teams:

We will be offering our annual IANTD Public Safety Ice Diver Certification course again this year. The program is not for the recreational diver and is specifically designed for the Public Safety Diver to use their skills in a cold water, overhead environment. There will also be a Tender course running concurrent with the Ice Diver course offering training for tenders on your team. The course will focus on but not be limited to training such as ; Ice evaluation, hole cutting, diver deployment, comm's and signals, safety diver duties, line tender duties, search patterns, emergency and lost diver procedures, and hole closing and marking. The number of personal allowed to participate is limited. Please call the Dive Center as soon as possible to reserve spaces for your team.

PSD Ice Diver - \$ 299.

PSD Ice Tender - \$ 100.
